VULTURE - BASILICATA

Synthesi

AGLIANICO DEL VULTURE DOC

2016

JAMES SUCKLING.COM 

92/100

Extremely complex with fresh herbs and spices, such as cloves and black pepper, as well as a lot of ripe fruit. But always in check. Full-bodied, chewy and flavorful. Needs two or three years to soften, but should come together nicely.

Wine & Spirits

91/100 BEST BUY

Synthesi stands out among this region's warm-climate wines for its lively freshness. It feels cool and vivacious, as brisk acidity flows through its juicy raspberry flavors, picking up notes of licorice, wild herbs and graphite. The tannins are firm and mineral, adding to the impression of coolness and allowing the vibrant fruit flavors to flow unimpeded.

Priced to pour by the glass, it's a perfect introduction to well made, unadorned aglianico.

WINE ADVOCATE

90/100

The well-priced 2016 Aglianico del Vulture Synthesi is a streamlined and immediate wine to show purity and focus with dark fruit aromas of dried cherry and blackcurrant followed by spice, tar and scorched earth. It shows a mid-weight approach with some mild tannic firmness and balanced acidity.
